A Message from the President

It is with a great deal of sadness that the Albany Italian community, and Albany community in general, had to say farewell to Paul Lionetti recently. Our sincerest condolences are extended to Paul's family and friends on the loss of a great man in their lives. His memory will live on in the many valuable contributions Paul made to Albany's community and beyond throughout the years he spent tirelessly working to meet the needs of others and promote our town.

I am off to Italy next week to visit family and friends in our region of the Valtellina in Italy's north. Sadly, the country has been overwhelmed with the heatwave conditions and forest fires. We trust that those who have relations in the affected areas are safe and well. While they are suffering from the extreme heat, we are feeling the cold of our winter here in Australia. Keep warm and safe from Covid, and I hope to catch up with you on my return in September.
